Verse 1

Each step I took led me astray
Further from God's perfect way
Sin had marked my every mile
Death stood awaiting all the while

Chorus

There is a road that leads to life
Where mercy conquered sin and strife
My Savior died for all my sins
Now He holds my life down the road of time

Verse 2

Grace was sealed at the cross
Love stretched beyond every loss
I called His name He welcomed me
His risen life has set me free

Chorus

(Repeat Chorus)

Every journey abounding with grace
Every step I take brings me to a place
Where everlasting life guides my way

There is a road that leads to life
Where mercy conquered sin and strife
